Hell Kitty's

A Day in the Park...

By the Brothers Grinn

Then I see a Terror... orr... bad guy!
He say 'what the hell'.
So I chase and chase and chase.
Then pounce!
He screams and cries and wets
I giggle between bites and scratch him good!
Then Kiwi Man comes over and makes me stop.
I growl. I want to try my 'finishing move'. Jerk.
Then he got me ice cream.
So it was a good day anyway!
The end.
